

## YWCA of the Mid-Peninsula Donor Advised Fund 2009-2010 Grant Partners

Building on its history, the vision of its foremothers, and its long-standing principles, the YWCA of the Mid-Peninsula Donor Advised Fund seeks to create opportunities for women's growth, leadership and power in order to attain a common vision: peace, justice, freedom and dignity. The Fund believes that both service and advocacy projects, those bringing about systemic change, those primarily committed to bettering women's and girls' lives, and those which break racial and ethnic barriers in scope, leadership, and participation will best achieve this goal.
